Founder's Message

Mr. Saravanan
Founder, Dar al Meena

Meena Food Stuff, Established in the year 2011, We “Dar al Meena Foodstuff Trading” are a leading international manufacturer, supplier and export company of India based on all types of Eco Products, Fresh Fruits & Vegetables direct from farm, across the Globe to all segments of market.

We’ve evolved as a renowned producer, marketer and exporter of Indian groceries, fruits and vegetables direct from farms, and we are associated with more than 300 trained farmers.

The name and business strength that has been earned by our organization today, we are committed to bringing you the best available products, along with the highest standards of Quality at optimum price. We always strive to build long lasting business partnerships with our clients by offering the best value proposition for the trade.

The quality of the products supplied by Meena Foodstuff will surely take you by surprise.

The epicenter of global food trade since the ancient times, India is now a dominant global player in the modern food trade. India has the pride of being the "Land of Origin" of an assortment of food crops & processed products that have a significant impact on the global demand and supply.

Producing for the world

India is the top global producer of meat, milk, castor seeds, sesame, mango, banana, chickpeas and is among the top producers globally for rice, wheat, sugarcane, tea, spices, onion, potatoes, & many others. With the new agri-export policy, the Indian F&B export is expected to grow from USD 32 Billion to USD 70 billion by 2020.

A magnificent industrial presence

The Indian food processing sector is currently valued at USD 258 billion and constitutes 14% of GDP through manufacturing. Food processing accounts for 32% of the country's total value of food & beverage industry. The Indian food retail market is the 6th largest grocery market in the world, expected to reach USD 895 billion by 2020.

An Importer's Paradise

India has a fledgling ecosystem for agricultural products and the food processing industry. Food processing sector is the 13th largest sector receiving FDI in the country. Private equity is also eyeing F&B players, marking a phase of innovation and growth in the coming years.
